

INSTITUTIONAL RESERVE FUND

Your Ministry's Asset Management Solution

Your challenge: Long-term asset management

For many ministries, asset management is far more a distraction than a core competency. You can choose today to learn the complexities of finance—or focus your attention on your ministry efforts.

Your solution: An institutional reserve fund managed by The Orchard Foundation

As your partner for asset management, The Orchard Foundation is ready with the expertise and tools to provide all the services you need for sound and effective asset management. An institutional reserve fund is an asset management vehicle that can provide an asset growth opportunity to accomplish mid- to long-term investment objectives for Christian ministries. An institutional reserve fund through The Orchard Foundation offers the following asset management benefits:

- Fixed-income investments through The Alliance Development Fund, Inc. providing competitive fixed rates
- Diverse investment options ranging from conservative to aggressive portfolios
- Access to third-party professional investment advice
- Alignment of your investment objective with biblical values and competitive market returns
- Day-to-day asset management that leaves you free to advance your ministry
- Continuity in your asset management—even if your organizational leadership changes, your asset management remains seamless
- Assistance to develop investment objectives and strategies
- Over 40 years of asset management experience

What You Can Expect from The Orchard Foundation
